Regulations and Standards:

1. Not more than one registered primary caregiver, who shall also be a full-time resident of the dwelling, shall be permitted to maintain medical marijuana uses as a special use permit at any one parcel in the Village.

2. Medical marijuana uses shall be conducted entirely within a dwelling unit, except that a registered primary caregiver may keep and cultivate, in an "enclosed, locked facility" (as the Act defines that phrase), up to 12 marijuana plants for each registered qualifying patient with whom the registered primary caregiver is connected through the registration process established by the Department of Licensing and Regulatory Affairs, and up to 12 additional marijuana plants for personal use, if the primary caregiver is also registered as a qualifying patient under the Act.

3. Medical marijuana shall not be grown, processed, handled or possessed at the dwelling of the primary caregiver beyond that which is permitted by law.

4. All necessary building, electrical, plumbing and mechanical permits shall be obtained for any portion of a building or structure in which equipment and devices that support the cultivation, growing or harvesting of marijuana are located or used.

5. If marijuana is grown or located in a room with windows, all interior lighting shall be shielded to prevent ambient light from creating a distraction for adjacent properties.

6. To ensure compliance with all applicable requirements and laws, the portion of a building or other structure, such as a cultivation room, where energy use and heating requirements exceed typical

residential limits and chemical storage occurs, are subject to inspection and approval by the Village President or their designee.

7. The property, dwelling and all enclosed, locked facilities shall be available for inspection upon request by the Village President or his or her designee.

8. The disposal of plant material shall be done in a safe and secure manner which does not permit those without the proper permits to access or obtain any disposed plan material.

9. Once approved, the special use permit is subject to renewal with the Village on an annual basis.

10. The storage of any chemicals such as herbicides, pesticides, and fertilizers, shall be subject to inspection and approval by Construction Code Authority.

11. The separation of plant resin from a marijuana plant by butane extraction or any other method that utilizes a substance with a flashpoint below 100 degrees Fahrenheit in any public place, a motor vehicle, inside a residential structure or the curtilage of a residential structure is prohibited.

12. No equipment or process shall be used in growing, processing, or handling of marijuana which creates noise, vibration, glare, light, fumes, odors, or electrical interference detectable to the normal senses at or beyond the property line. In case of electrical interference, no equipment or process shall be used which creates visual or audible interference with any radio, television, or similar receive off the premises or causes fluctuation of line voltage off the premises.

13. The above provisions apply only to those uses permitted under the Michigan Medical Marijuana Act, PA 2008 Initiated Law, MCL 333.26421 et seq. Nothing herein shall be read or construed as to permit uses or activities provided for by the Michigan Medical Marijuana Facilities Licensing Act, PA 281 of 2016, MCL 333.27101 et seq., or the Michigan Regulation and Taxation of Marijuana Act, Initiated Law 1 of 2018, MCL 333.27951 et seq.

Required Submittals:

- 1. Submittal of the Application and required fees for Medical Marijuana Caregiver Special Use Permit.
