Fence is defined in the Zoning as any permanent or temporary means, partition, structure or gate erected as a dividing structure, barrier, or enclosure, and not part of a structure requiring a building permit.
(Article II #40)

All fences must be 6" off property line, unless written permission is granted by all adjoining property owners and is attached to this permit.
(Article XIV, Section 1405 3-d)

On a corner lot or parcel, no fence, wall, or planting shall be allowed except as may be permitted by the zoning administrator.
(Article XIV, Section 1405 3-g)
